@ Purpose of the College

The teachings of the Buddha introduced to Korea 1,600 years ago and not only since contributed to the florescence of brilliant national culture but also established itself as one of the great traditional religions. So it is clear that Buddhism has much influence on the spiritual world of Korea. But nowadays, it faces various crises domestic and foreign because of the influx of Western ideologies and materialism.

Therefore, in order to correct the present situation, this college aims at establishing an ideal Buddhist world by both teaching basic Buddhist sutras and training good Buddhist Dhamma teachers.

@ College Motto

Think the Truth Pursue the Truth Practice the Truth

@ Educational Objective

Embodiment of the authentic teachings Promotion of the sound argument
Aspiration of the truthful course

About College

Philosophy	The teachings of the Buddha were first introduced into the soil of the Korean peninsula 1,600 year ago, and since its introduction Buddhism has not only contributed itself as one of the great traditional religions. Thus, it is quite obvious that Buddhism has had a great influence on the spiritual world of Korean people and the growth of unique national mentality. But, because of the influx of Western thoughts and materialistic civilization, the fundamental spirit of Buddhism faces diverse trials both domestic and foreign. Therefore, in order to consolidate Buddhism as a spiritual foundation, this college aims at teaching and training model Buddhist Dhamma teachers who understand the lessons of the Buddha correctly, cultivate academic fields and practice actual Buddhist discipline and austerity.
Commitments	Donggook Buddhist Chonbop College was Established by Dr. Hu Sung-hyun (Hyun-oh) to train Dhamma teacher in February 1987, and was registered as an educational Institution for the Buddhist propagators in Korean Buddhist Chogye Order. The mail objectives of this College as a higher Buddhist educational Institution are to provide facilities for Buddhist Studies of Both Theravada and Mahayana tradition, encourage research n the relevant fields and promote the spread of Buddhism to domestic and foreign people.
Objectives and implementation plans	In 2014 has produced more than 1,000 graduates in Dhamma Teacher courses and after the establishment of Mahachulalongkorn university, 90 graduate students from Bachelor's degrees, 23 Master's degrees, and 2 Doctoral degree graduates are now actively propagating the Theravada in Korea. We are also progressing Vipassana courses for various seminars, Korean monks and believers. Our university also spread a variety of fundraising for construction of mediation center and new campus. Approximately \$819,225 has been collected so far Construction will be completed in 2563 Buddhist year.
